DEDICATION

John B. Furstenberg III typifies the boys whose fathers were killed in World War II. Young Furstenberg is the son of John B. Furstenberg II, who was an alumni of Regis. It was with these boys in mind that the Math Club established their Scholarship Fund for the deserving sons of World War II veterans.

CANNONS of war have long since ceased to fire
 ... untold hours have passed since they gave
 their last measure of devotion, but in token of this
 loyalty, we wish to dedicate the 1949 Ranger to
 them—the Regis Alumni killed in World War II.

THE STAFF

PRESIDENT'S MESSAGE

REGIS COLLEGE
DENVER, COLORADO

OFFICE OF THE PRESIDENT

A characteristic of our day is bewilderment. Thoughtful, earnest people are harassed by anxieties over the future. Millions are uncertain even in their own thinking. They lack the ability or the willingness to form their own definite judgments on questions of supreme importance. Hence, too often, they fall victims to propaganda, to the dictates of the commentator or the columnist.

This condition is not healthy nor is it flattering to an educated man. Our Regis graduates should be educated men. As such they should not shirk from the burden of doing their own thinking; they should be able to arrive at logical conclusions; to evaluate trends and movements; to be leaders instead of followers.

Rarely in the history of mankind has the need for right leadership been more acute. Many are trying to delude us into believing that the struggle today is between forms of Government between dictatorship and democracy. But the real issue is far more fundamental. It is the conflict between religion and paganism. Two great forces are bidding today for the adherence of men. They are Communism and Christianity. I should not expect a communist to let a week pass without saying something in favor of Communism. I hope that our Regis men, both graduates and those who still have time to go, will bring their knowledge of God and Christianity to the attention of many others who are longing for a like knowledge although often they do not know what they are seeking. This goal will be reached on occasions by giving courteous, clear answers to sincere requests for information about Catholic teaching and practice. It will be attained most effectively by constant fidelity to one's own beliefs. Be true to your principles in your business, professional and social lives. Doing this consistently you will confer a benefit on the world and a favor on yourselves.

May God be very good to you all, in your vocation of making Christ known to others.

Raphael E. McCauley, S.J.

DEDICATION AND BLESSING OF THE CHAPEL OF ST. JOHN FRANCIS REGIS

THE doors of the Chapel of St. John Francis Regis were formally opened on the 25th of April, nineteen hundred and forty-nine. This dedication marked the end of overcrowded conditions in the two student chapels.

The new edifice, centrally located on the campus, is a corrugated steel structure with a brick front of Roman Gothic architecture . . . The ceremonies of dedication took place after a procession from the Administration Building to the Chapel. His Excellency Urban J. Vehr, Archbishop of Denver, officiated. He was assisted by the Rev. Forrest H. Allen of St. Anne's Church, Arvada, the Rev. Bernard A. Giblin, O.F.M., of St. Elizabeth's Church, Denver, and the Rev. Dr. David Maloney, assistant chancellor for the archdiocese . . . Among the dignitaries present

were nearly one hundred clergy, the Most Rev. Bernard J. Sullivan, S.J., Titular Bishop of Halicarnassus, Rt. Rev. Monsignor John R. Mulroy of Holy Ghost Church, Rt. Rev. Charles A. Hagus of Annunciation Church, Rt. Rev. Monsignor Mathew J. Smith, and the Rt. Rev. Monsignor William Higgins of St. Philomena's Church.

His Church, a true building, in which He is the chief cornerstone, of which Peter is the bedrock, and in which we are the stones . . .

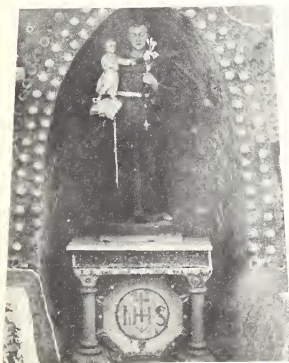

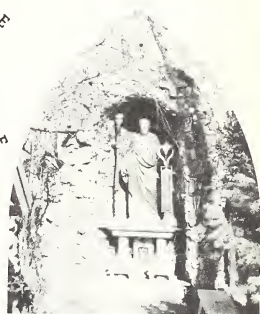

. . . in Bethlehem, “the House of bread.” He gave us Himself under the appearances of bread. He has become our table and our food.

THE TEAM SPIRIT OF THE

RANGER . . . RALLIES ALL . . . STIRS

EVERYONE TO RESPECT HIS

SPORTSMANSHIP . . . HIS VICTORIES.

LARRY
LEE
VARNELL

Larry is a former Denver Nugget star, brought here by Jay Ambrose. During the 1947 and 1948 season, Larry played with the Denver Chevrolets.

He went to school at Milligan College, served in the U. S. Navy as a physical instructor and coached three service teams to National Championships.

Larry came to Regis in September of 1946 and in three seasons has molded a victorious team which has brought national fame to Regis College and the city of Denver.

VARSITY BASKETBALL

FORT HAY'S CHAMPIONS, N.A.I.B. RUNNER-UP, N.C.I.T. CHAMPIONS, LEFT TO RIGHT, ARE: COACH LARRY LEE VARNELL, TOM WATERS, BRYCE HEFFLEY, JERRY SIMON, BOB FISHER, HARVEY MOORE, DICK PETRY. FRONT ROW, IN THE USUAL ORDER, PHIL ANTONELLI, PETE BERNEY, BOB WALLACE, JERRY COURSEY. THE TRINKETS IN THE CENTER OF THE PICTURE WERE ACCUMULATED OVER THE SEASON.

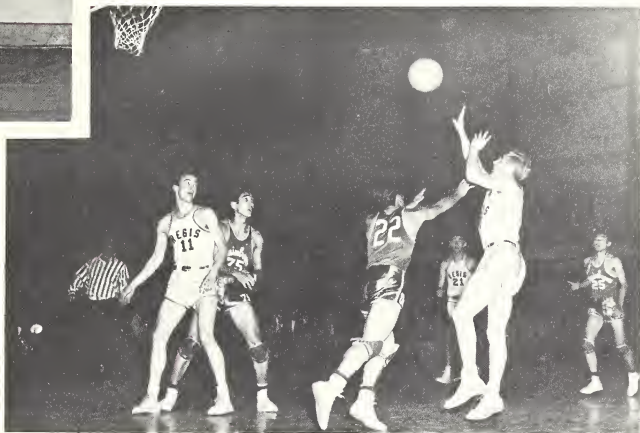

PHIL ANTONELLI

SENIOR — 5'10" — 29 GAMES — 110 POINTS — 3.79 AVERAGE

Phil Antonelli adds to the point total as Regis chalks its 26th victory of the year against the University of Hawaii, 72 to 58. Berney (11) and Waters (21) move up for the rebound.

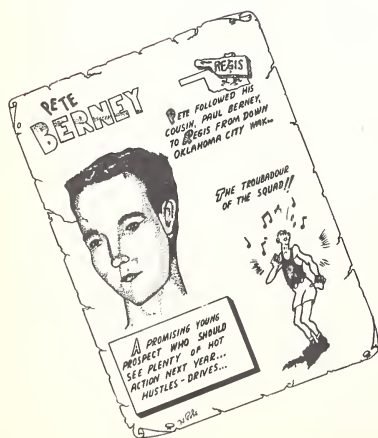

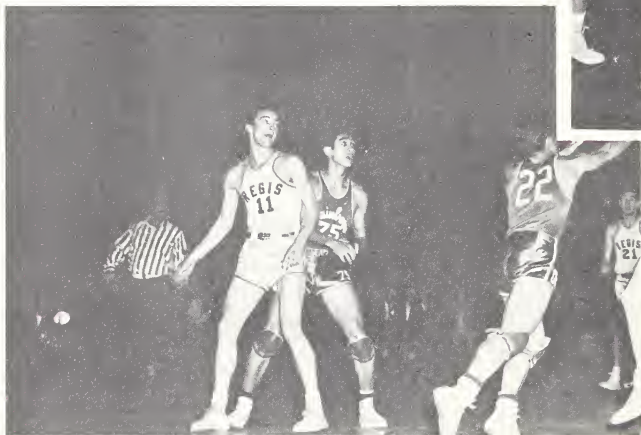

FIRE ENGINE SPEED . . . UNCANNY ACCURACY WITH HIS TWO HAND SET SHOT . . . ALWAYS ONE STEP AHEAD OF THE OPPONENT. PHIL IS THE MAIN FACTOR IN THE RANGER FAST BREAK WHEN IT IS AT ITS BEST . . . NOMINATED AS THE PEOPLE'S CHOICE.

PETE BERNEY

SOPHOMORE — 6'1" — 28 GAMES — 30 POINTS — 1.06 AVERAGE

Pete Berney waits for a pass from an unknown team-mate, and at the same time gets around his Hawaiian opponent and in a position to score.

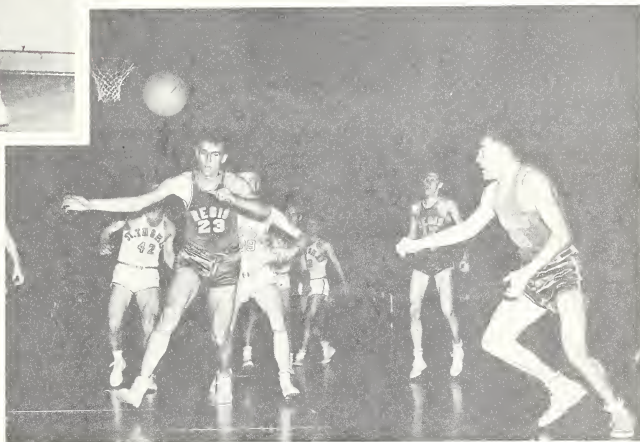

DRIVES HARD FROM EITHER SIDE TO SCORE
 . . . A TRANSFER STUDENT, HE WAS BUSY
 LEARNING THE RANGER STYLE OF BALL . . .
 CAN BE COUNTED ON TO SHOW UP THE OP-
 POSITION AT EVERY OPPORTUNITY. ALL EX-
 PECT TO SEE A LOT OF BALL FROM PETE IN
 HIS REMAINING YEARS WITH THE TEAM, AND
 PETE WILL SHOW THEM.

JERRY COURSEY

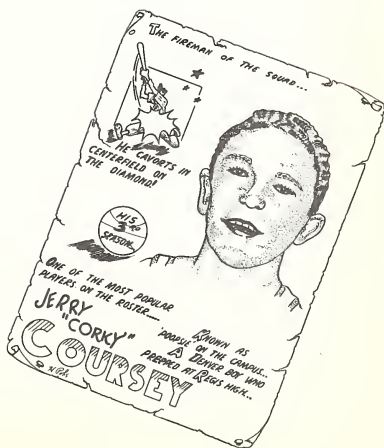

JUNIOR — 6'0" — 39 GAMES — 157 POINTS — 4.02 AVERAGE

Jerry Coursey races Jerry Simon for a rebound against St. Thomas. Simon provided the screen and Coursey got the ball. This is a part of the combination and teamwork which helped the Rangers to defeat their second round opponents in the N. A. I. B., 53 to 52.

SMOOTH AND DEADLY WITH HIS RIGHT HAND PUSH-SHOT FROM WAY OUT . . . SMALL, BUT MIGHTY ON THE BOARDS . . . IMPROVED UNDER FIRE AS INDIANA SOON LEARNED. CORKY OFTEN PROVED THE NEEDED SPARK WHEN THE GOING REALLY GOT TOUGH.

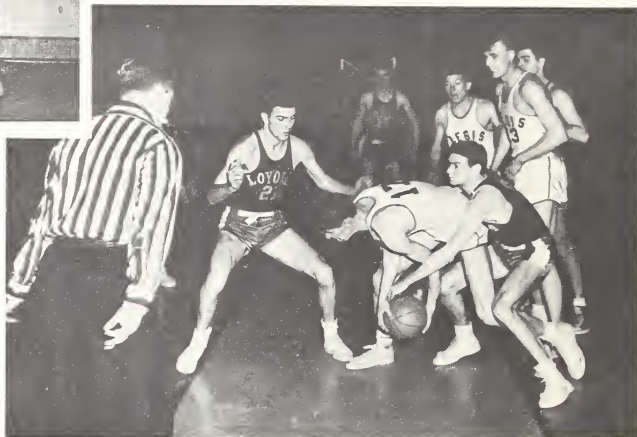

BOB FISHER

JUNIOR — 6'3" — 38 GAMES — 421 POINTS — 11.07 AVERAGE

Bob Fisher and Mike Zedalis fight for the ball in the semi-finals of the N. C. I. T. tournament in Denver. Regis won this one 67 to 60, in a real stem winder.

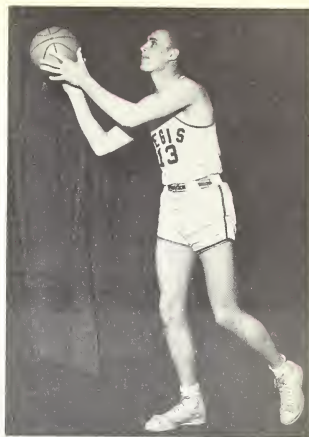

FIRST REGIS PLAYER TO SCORE 300 POINTS IN A SINGLE SEASON . . . DEADLY WITH A ONE HAND SHOT . . . AN EXCELLENT MAN ON THE BACKBOARDS. BOB FINISHED HIS THIRD SEASON AS A REGULAR PLAYER BY MAKING THE N. A. I. B. AND N. C. I. T. ALL-AMERICAN TEAMS.

BRYCE HEFFLEY

SOPHOMORE — 6'5" — 39 GAMES — 449 POINTS — 11.5 AVERAGE

Bryce Heffley hooks hard and high with his left hand against the Louisiana Pelicans in the third round of the K. C. tournament as the Rangers score their third triumph, 56 to 51. Petry and Wallace move in for the rebound, just in case.

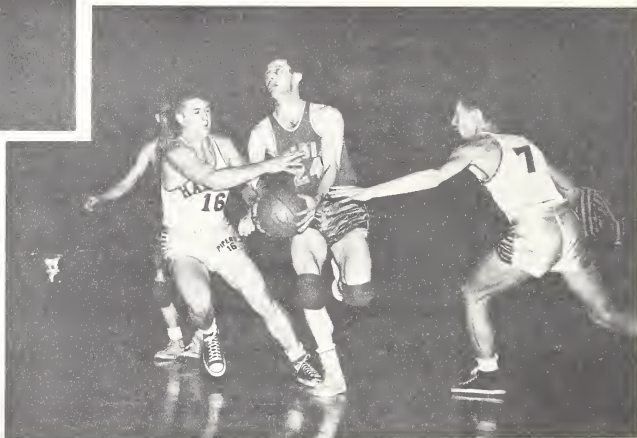

EARNED THE NAME "JANITOR" BY HIS REPEATED SWEEPING OF BOTH BACKBOARDS . . . WHEELED LOYOLA RIGHT OFF THE COURT BY HIS 27 POINT OUTPUT . . . "STAR" OF THE ROCKY MOUNTAIN REGION AT REGIS, AURORA, AND LORETTO. BRYCE IS OUR ONLY SOPH ALL-AMERICAN, BEING AWARDED THIS HONOR AT THE N. C. I. T. TOURNAMENT IN DENVER.

HARVEY MOORE

SENIOR — 6'4" — 38 GAMES — 387 POINTS — 10.18 AVERAGE

Harvey Moore moves across the key hole as Regis and the Hamline Pipers vie in the championship game of the N. A. I. B. tournament. As this picture clearly shows the going was tough all the way, and Regis came out on the short end of a 57 to 46 score.

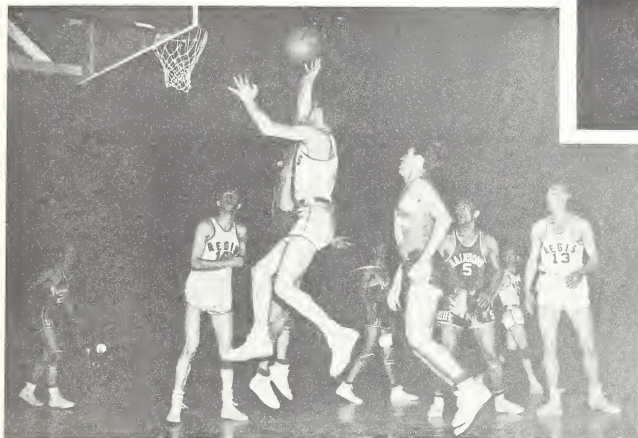

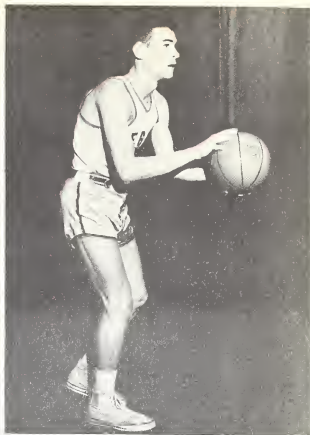

STEADYING INFLUENCE ON THE RANGER TEAM . . . LEADING SCORER IN THE ROCKY MOUNTAIN REGION IN HIS SOPHOMORE YEAR . . . CAPTAIN FOR THREE YEARS OF THE "BUZZ BOYS" . . . A SENIOR THIS YEAR. HARV CLIMAXED THIS UNUSUALLY BRILLIANT CAREER BY BEING NAMED ON THE N. C. I. T. ALL-AMERICAN TEAM.

DICK PETRY

SOPHOMORE — 6'0" — 39 GAMES — 310 POINTS — 7.94 AVERAGE

Dick Petry overcomes the difficulty of two right hands, one his own and the other kindly offered by a Hawaii player, as he drives in for a lay-up. Regis found a pot of gold at the expense of the Rainbows, to the sum of a 72 to 58 victory.

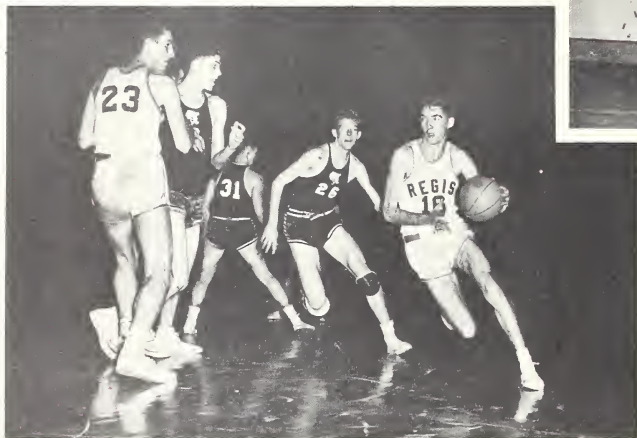

DICK PETRY . . . MR. GUARD ON ANYBODY'S TEAM . . . "POETRY IN MOTION" . . . UNTIRING, ONE HAND POWERHOUSE, ARE BUT A FEW OF THE PRAISES FROM BOTH PLAYERS AND FANS HEAPED UPON DICK, OUR SOPH GUARD.

JIM SHEEHAN

JUNIOR — 6'1" — 12 GAMES — 12 POINTS — 1.00 AVERAGE

Jim Sheehan drives in the Hastings game. Simon (23) executes a screen as Regis goes on to win, 80 to 46, in the second game of the season.

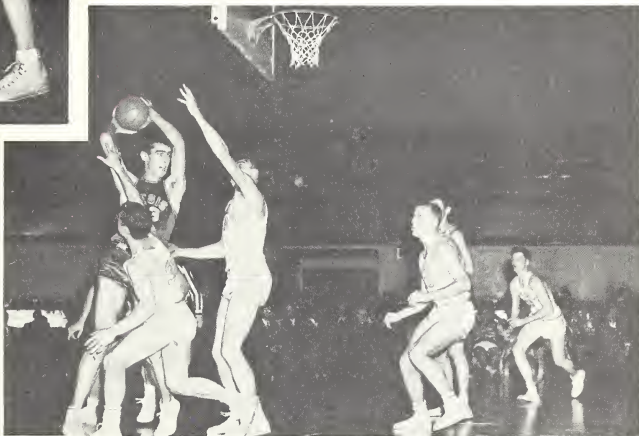

COOL AND CALM UNDER FIRE . . . MASTER OF BALL-CONTROL AND FLOOR PLAY . . . SHOT INFREQUENTLY, BUT ACCURATELY. JIM IS NOW AT NOTRE DAME STUDYING . . . ON A CHEMISTRY FELLOWSHIP.

JERRY SIMON

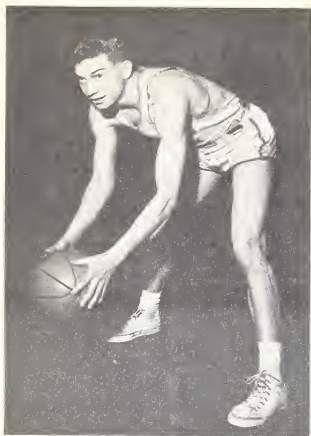

SOPHOMORE — 6'9" — 39 GAMES — 235 POINTS — 6.02 AVERAGE

Jerry Simon stretches out to avoid the eager arms of all five St. Thomas players, as Wallace moves in to help him in the bitterly fought N. A. I. B. tournament battle. Regis fought the hardest and came up with a well deserved, 53 to 52 victory.

REACHES THE HEIGHTS OF BASKETBALL
GREATNESS . . . SHOWED HIS ALL-AMERICAN
POTENTIALITIES AGAINST ST. THOMAS . . .
CAN TIP THEM IN WITH, AND AGAINST, THE
BEST IN THE NATION. JERRY SHOWS THE
KIND OF BALL-ABILITY WHICH WILL HELP
THE RANGERS TO AN EVEN GREATER FUTURE.

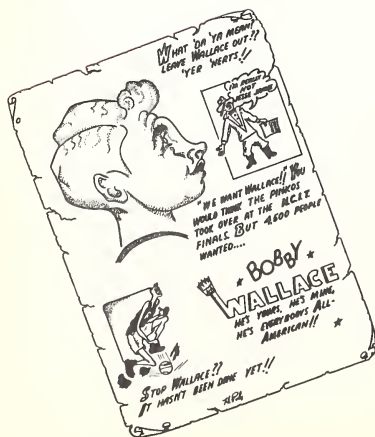

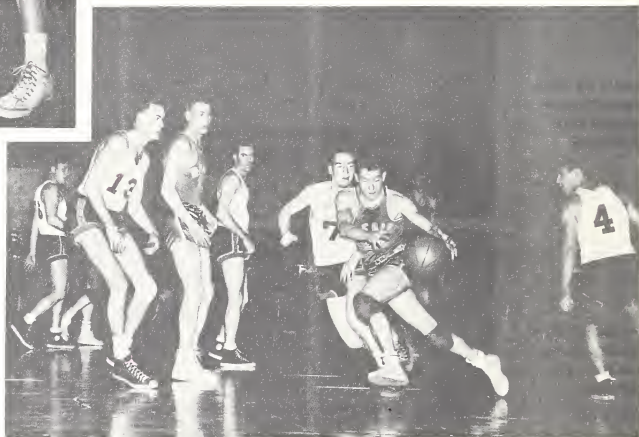

BOBBY WALLACE

SOPHOMORE — 5'10" — 38 GAMES — 285 POINTS — 7.5 AVERAGE

Bobby Wallace slips by his man as Fisher and Heffley look on, in the first round game of the N. A. I. B. tournament. Regis soundly thumped Erskine, 71 to 47.

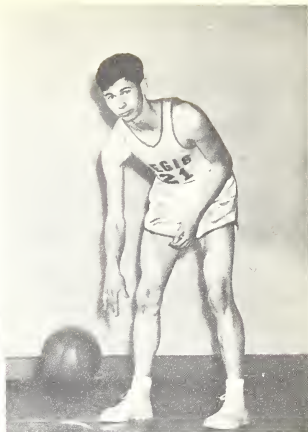

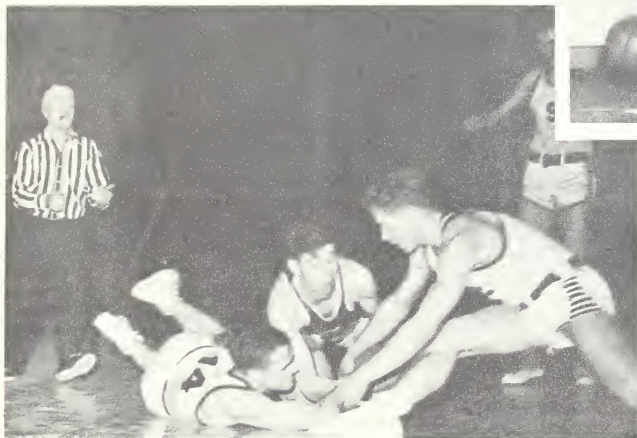

BALL CONTROL ARTIST . . . OPPONENT'S NIGHTMARE . . . MASTER-MIND AT FLOOR PLAY . . . BOBBY COMPLETED HIS SECOND SEASON AT A REGULAR IN AS MANY YEARS AT REGIS BY GETTING POPULAR ACCLAIM EQUAL TO ANY EVER GIVEN TO AN INDIVIDUAL STAR AT DENVER AUDITORIUM.

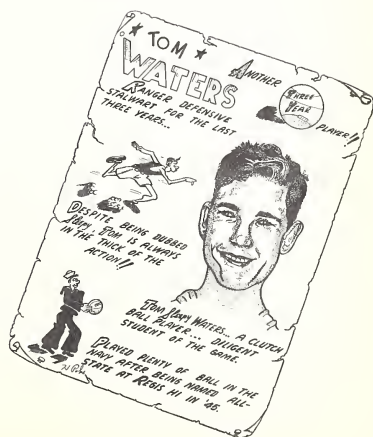

TOM WATERS

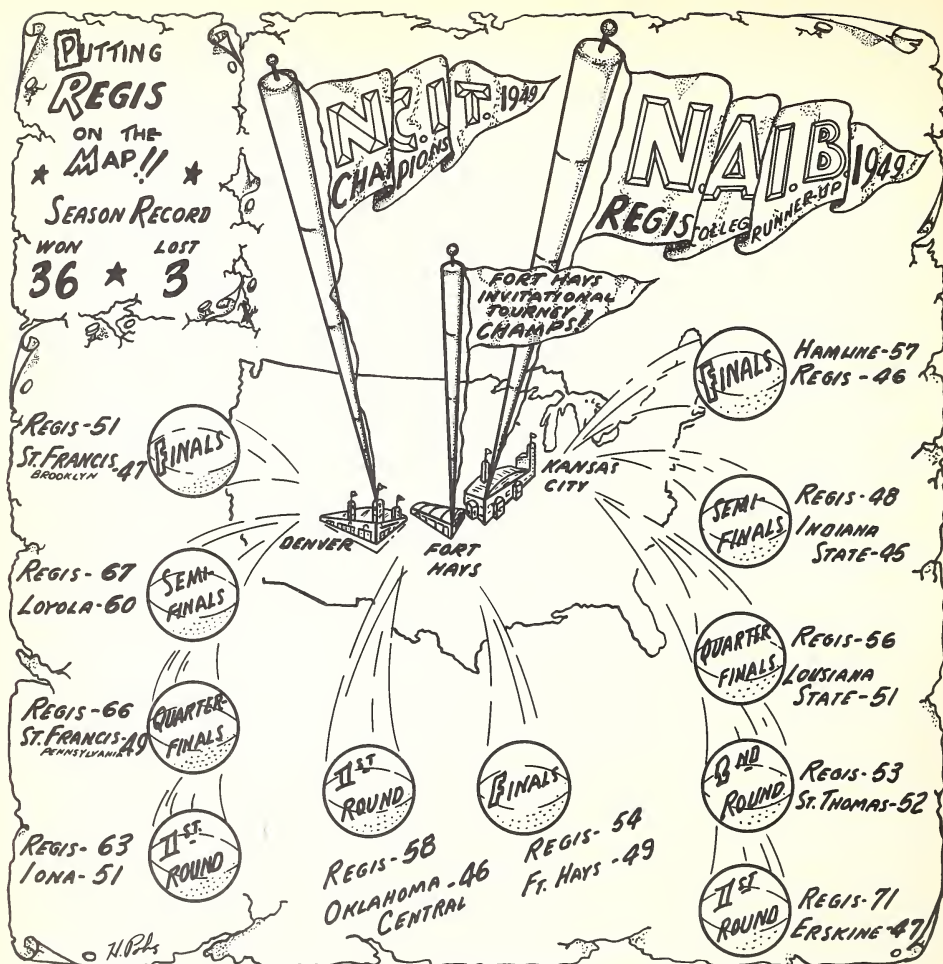

JUNIOR — 6'3" — 36 GAMES — 67 POINTS — 1.8 AVERAGE

Tommy Waters battles for the ball against two Western State players in the first of a two-game series. Regis won both games to hoist their record to 20 wins and 2 losses.

A TRULY GREAT DEFENSIVE PLAYER . . . RELIABLE IN THE CLUTCH . . . SELFISH WITH THE BALL UNDER THE BOARDS . . . ALL LOOK FORWARD TO ANOTHER YEAR OF INCONSPICUOUS, BUT VITAL, PLAY FROM "SLEEPY".

IS CATHOLICS, we are grateful to Catholic education for the many advantages and blessings we have received. We are more grateful for the assistance and co-operation we have received in bringing up our children. Above all we are grateful because in Catholic education, we see the nucleus around which the Spiritual Forces of the World can rally in the struggle against the ruthless forces of materialism.

NEW HOME

of The A. B. Hirschfeld Press brings to Denver not only the largest printing and lithographing plant in the West, but one of the most modern and completely equipped plants to be found anywhere in the United States.

A 19-YEAR-OLD YOUTH had recently "entered" the printing business for himself. This was accomplished by using his savings to buy a \$35 hand press, and pay one month's rent on a tiny basement store on lower Seventeenth Street, Denver. One afternoon he was in his shop setting type in his capacity as sole mechanical worker, for a job he had secured that morning in his capacity as sole salesman.

A well-dressed stranger came down the steps and inquired, "Mr. Hirschfeld?"

Flattered at the unaccustomed use of "Mister" in addressing him the young man looked up from his work. "Yes, I'm Hirschfeld."

The stranger continued: "I'm selling Ford automobiles, Mr. Hirschfeld, and I would like to interest you in a new model T." He pointed toward a shiny car at the curb.

Hirschfeld replied, "Thanks for the compliment, but you'll see a bicycle leaning against the lamppost out there on the sidewalk. That bike costs \$25, and I'm having a hard time paying for it fifty cents a week—so I hardly think I am interested in buying an automobile."

The salesman showed neither surprise nor disappointment. Instead, evidently having sized up the young man and his shop during the conversation, he said, "That's all right, Mr. Hirschfeld. You may not be interested today, but I want you to keep me in mind later because some day you will be the biggest printer in Denver."

Though young Hirschfeld did not take the words seriously at the time, he never forgot them. The salesman disappeared with the years—but his prophecy has blossomed into truth.
